The term "Parents" means the person or persons who have, either individually, jointly, or shared, the legal custody and/or the parental authority ("patria potestad") with respect to the student(s) to whom this Agreement refers. The defined term includes a legal guardian(s) or other such duly authorized representative(s). The undersigned represents that all such persons are listed herein and have executed this Agreement.

All Parents or Guardians with legal custody are required to sign this Agreement through the link connected via the particular email address of each parent/guardian.

The Parents acting for themselves and on behalf of one or more minors after, the "Student(s)" specified in the Enrollment Form or the Re-Enrollment Form, do now agree and covenant:

Enrollment: The Student(s) is (are) hereby enrolled in accordance with the information provided in the Student Enrollment Form and Agreement subject to the terms and conditions of this Agreement.

Term: The term of this Agreement is for the 2026-2027 academic year and this Agreement is not to be interpreted as giving any right of renewal or extension for any period beyond the 2026-2027 academic year.

Fees:

1. The Parents agree to assume, jointly and severally, the responsibility to pay the Tuition and Fees, as well as any special assessment that the Board of Directors may, from time to time, deem necessary. They also agree to pay any applicable late charges. ("Terms and Conditions of Payment for Academic Year 2026-2027" are stated on the Enrollment Home Page). In the event of failure to make payments in a timely fashion (with ten days' prior notice), the School reserves the right to cancel this Agreement and cease providing services without refund of any amounts paid or waiver of any amounts due. Furthermore, the School reserves the right—at its sole discretion—to engage a third party collection agency or engage in a legal collection procedure of its choice in the event of non-payment of tuition and fees. Parents will be responsible for payment of all collection agency and/or legal fees related to these collection procedures.
2. The Enrollment Fee, Annual Tuition Fee, Plant & Facilities Fee, Next Generation Building Fee, Academic Development Fee, Parent Association Fee and the New Family Entrance Fee are non-refundable.
3. The Student(s) may be denied admission to the classroom when tuition and other School fees are in arrears. No Student will be admitted to the second semester of the academic year if there is an outstanding financial obligation from the first semester.
4. By enrolling your Student(s) in the School, the Parents accept the obligation for **full payment of tuition and other charges for the entire academic year**, since a significant portion of the School's costs are committed at the beginning of the School year based on student enrollment.
5. **New Family Fee: If your child is enrolled at TASIS Dorado in PPK or PK, the one-time New Family Fee of \$4,000 will be deferred until the student reaches Kindergarten. At such grade level, the fee will be invoiced to your school account.**
6. **Overdue Payments** A late fee will incur an interest charge of 2% per month (24% per annum). Note: The school reserves the right to deny access to Veracross and/or admission to classes for any student whose tuition and fees have not been paid. Likewise, no records, school transcripts, diplomas, recommendations, or grade reports will be released until all financial obligations have been met in a given semester.
7. **Enrollment Fee:** A non-refundable enrollment fee of \$850 per student is required to hold each student's place for the 2026-2027 academic year.
8. **The Next Generation Building Fee** is collected for building and grounds improvements, new construction when applicable, and daily maintenance of existing facilities.
9. **Academic Development & Parent Association Fee:** covers required dues to the TASIS Dorado Parent Association (TPA) as well as academic fees used for rendering technology resources and services to enhance the student learning experience.
10. **The Non-Sabanera Facilities Fee** is \$2,750 for families with one child enrolled and \$5,500 for families with two or more children enrolled. Fees for homeowners in Sabanera Dorado are waived. To qualify for the resident fee waiver, the primary address must be updated in the Veracross Family Profile, subject to final validation by the Sabanera Administration.

Parent Engagement: TASIS Dorado expects that Parents or Guardians will prioritize school commitments and take an active, appropriate part in the education of their child(ren). Such priorities include attending relevant Division Open Houses, the scheduling of travel during breaks in the academic calendar and not missing days of class, as well as other obligations described in the Parent-Student Handbook located on tasisdorado.com under Quicklinks. In addition, at various times during the academic year, the Counseling Department and the Student Health and Wellness Program will sponsor informational presentations and seminars on various aspects of child development and positive parenting skills. Parents are expected to attend seminars, TASIS Dorado Parent Association meetings, and volunteer as able each year at TASIS Dorado as part of belonging to this institution and being partners in raising and educating children.

Rules and Regulations: The Parents, for themselves and on behalf of the Student(s), agree to abide by the rules and regulations of the School as set forth in the "Student-Parent Handbook" and any other regulations as may be adopted and/or amended by the School from time to time. Failure to abide by said rules and regulations as a positive, contributing member of the community may result in the exclusion of one or more students from the School. The Agreement shall continue to apply to the remaining Student(s) should this Agreement apply to more than one Student from a particular family. Copies of these items are available for review at the School and are posted on the School's website.

Releases:

1. The Parents agree and accept that, in the event of an emergency, when Parents cannot be contacted or time is critical, the Head of School, or her designee, may authorize medical treatment for the Student.

2. The School offers athletic and extracurricular activities in which physical injuries and accidents can be expected. The School takes reasonable precautions, through experienced supervision and coaching, to prevent physical injuries and accidents, but the School cannot, and does not, assume responsibility for injuries resulting from these activities. If there are any restrictions to be placed upon a Student's participation in athletic and extracurricular activities, they have to be timely communicated in writing to the School.
3. The Parents agree and accept to indemnify and hold harmless the School in the event of a custody dispute.
4. The Parents grant full authorization and consent to the School to capture, use, publish, and copyright any photographs, videos, or quotations involving their child while the child is enrolled in any School programs. This consent includes the right to retain and use such materials indefinitely, even after the child is no longer enrolled, for purposes such as, but not limited to, School brochures, social media platforms, yearbooks, newsletters, advertising, posters, displays, catalogs, websites, and other promotional or educational materials, without restrictions or reservations.
5. The TASIS Dorado School reserves the right, in its sole and absolute discretion, to exclude any student permanently or temporarily at any time if such action is deemed advisable either in the interest of the student or for the good of the School. The Parent/Guardian further understands that a positive and constructive working relationship between TASIS Dorado and a student's parent(s)/guardian(s) is essential to the fulfillment of the TASIS Dorado mission, and agrees that TASIS Dorado may terminate enrollment, or decline re-enrollment, if TASIS Dorado, in its sole discretion concludes that the student's action or inaction is detrimental to TASIS Dorado, or whose parent(s)/guardian(s) have engaged in conduct which is detrimental to TASIS Dorado. By signing this Agreement, the Parents release the School from any or all liabilities, claims, action or rights of action, which may arise from the dismissal of the Student from the School, permanently or temporarily.

Disputes: The School desires to resolve all disputes and conflicts via respectful dialogue and constructive solutions without recourse to the courts and the Parents agree to cooperate with the School in this regard. Any and all disputes arising under, or in connection with, this Agreement, or in connection with any aspect of School activities that cannot be resolved with teachers or other staff members, shall first be brought to the attention of the Head of School in order to undertake a respectful dialogue in search for constructive solutions. Should this dialogue not be successful, then the matter shall be submitted to mediation pursuant to the School's "Terms of Mediation". If mediation fails, disputes will be resolved by binding and expedited arbitration with a single arbitrator following the rules of the American Arbitration Association. The parties involved with any mediation or arbitration will be responsible for their respective legal fees and expenses. The costs of mediation and arbitration will be split on a 50-50 basis.

Extended Day Program: The School may have an Extended Day Program for students. Supervision and activities would be provided in this program from the regular hour at which the School day ends to 5:30 pm. Most students attend as a result of their Parents' or Guardians' choice. In some cases, students are assigned to the Extended Day Program for safety and security reasons. In both cases, Parents understand and accept that they are responsible for the full payment of fees associated with the Student(s) participation in the Extended Day Program.

Parents or Guardians (if there is more than one), all must sign and execute this Agreement.
